

Tyke-Oh Japanese Drumming Tour Schedule 2026

Immerse in The Way of Taiko

Tyke-Oh Japanese Drumming

EZ Japanese is established by Kiyomi Calwell to provide authentic Japanese program for Australian schools. She has toured all states and territories over years.

Taiko is the beat of our soul! It is a physical activity that involves whole-body movement and mindfulness. Taiko drumming can build teamwork, improve physical health, enhance mindfulness, and calm the mind. We describe it as a martial art with music and meditation.

Our main Programs:

Taiko Workshop

(50 minutes, 30 students minimum)

Taiko Experience

(60 minutes, 100 students minimum)

Taiko Performance Course

(Customised program)

We can combine programs to suit your school needs. Please email us, info@ezjapanese.com.au.
